Government Order No L 5556 64—Ml 174 31 1 dated 11th February 1932 passing orders in the matter of the delegation of powers to the Deputy Commissioners in the matter of expenditure incurred by the Town and Minor Municipalities in the State

ORDER No L 3046 102—ML 151 48 1 DATED BANGALORE, THE 22ND SEPTEMBER 1948

The delegation of powers referred to in the Government Order read above was made over 16 years ago and since then there has been a large development of Municipal activity all over the State The powers now exercised by the Deputy Commissioners are found in practice to be very inadequate in relation to the present day standards and Government sanction is being sought in a very large number of cases of comparatively minor importance causing avoidable delay While there was a proposal from some of the Deputy Commissioners that the powers exercised by them in respect of Municipal expenditure should be enlarged, the view that the Town Municipal Councils should themselves be made more responsible than at present in regard to expenditure from out of their funds has been pressed on the attention of Government Government also feel that with the steady growth of democratic institutions in the State and the education of public opinion in Civic consciousness it is but right that the Town Municipal Councils should be entrusted with responsibilities and powers in respect of Municipal finance and that this step will tend to make them take a livelier and more abiding interest in Municipal Administration In this view under Section 183 of the Mysore Town Municipalities Act 1933 and in supersession of all previous orders, Government are pleased to invest the Town Municipal Councils with the power to incur the following items of expenditure out of their funds, subject to the restrictions, conditions and limitations prescribed —

(*a*) Expenditure not exceeding Rs 100 a month for the employment of temporary establishment for a period not exceeding one year on the whole, subject to the conditions that when the cost is to be met out of the closing balance the prescribed minimum balance shall be kept up

(*b*) Expenditure for journey performed outside the limits of the Municipality by the Municipal Employees within the State in the interest of the Municipality

(*c*) Expenditure not exceeding Rs 100 in each case to alleviate distress caused by accidental fires or floods

(*d*) Grants not exceeding Rs 120 per year in each case to reading rooms libraries, educational and medical institutions subject to such rules as may be made by Government in this behalf

(*e*) Purchase of stationery upto Rs 100 per year in excess of the expenditure which the Municipal Councils are already empowered to incur under this head

(*f*) Expenditure in connection with the prevention and suppression of epidemics when the cost does not exceed Rs 500 in each case

(*g*) Contributions towards District Conferences up to Rs 150

(*h*) Contributions not exceeding Rs 100 a year in each case to conferences and movements whose objects include medical relief, education, improvement of sanitation and public health, safety and convenience, subject to such rules as may be made by the Government in this behalf

No L 3046 102—ML 151 48 1, DATED 22ND SEPTEMBER 1948

(*i*) Payment of rewards not exceeding Rs 25 for detection of smuggled goods

(*j*) Charges not exceeding Rs 250 for printing in private presses when such charges cannot be met by reappropriation

(*k*) Payment of rent for occupation of buildings for Municipal purposes, when the cost does not exceed Rs 50 a month for specified periods only

(*l*) Expenditure not exceeding Rs 100 a month per cart for the employment of conservancy carts for removal of street rubbish or for carrying on any other *bona fide* work of the Municipality for a period not exceeding two years at a stretch

(*m*) Contributions not exceeding Rs 100 per year to the Indian Red Cross Society and the Scout Movement

(*n*) Grant of allowances not exceeding Rs 15 per mensem to Veterinary Inspectors for inspections of slaughter houses, animals brought for slaughter, and meat stalls

2 Government are also pleased to authorise the Town Municipal Councils to sanction expenditure within the budget provision for supply of clothing to Municipal employees in accordance with the general rules sanctioned by Government with regard to Government servants

3 The Comptroller to Government is requested to issue the necessary correction slips to the Municipal Accounts Manual
